Love.....

The greatest weapon known to mankind.

HARD to find....

It can make you happy.

It can make you sad.

Reconnaissance
goes full force
With a little sneaking.

Words harm,
realization murders
with peeking.

"So irritating",
trust so fragile
breaks

To save a relationship,
Do whatever it takes.

BEEP
BEEP
!!

"This used to be a FUN house"

SMASH!

Not so much with a cheating spouse!

Now it will be up and down!

Don't mess with this psycho clown!

THE NEXT DAY ...

When we love someone, why do we fight?

Why do you make me do this?
You gave me such a fright!

Kiss and make-up.

BEEP!
BEEP!

True love conquers... all

Doing what you have to do...

...with your back up
against the wall.

Close to the heart, love forever keeping....

BEEP! BEEP!

Why Does that Damn phone keep on beeping?

Honesty is the best policy.
So tell the truth.

The Denial and lies start
getting long in the tooth.

"You make me sick"

TWAK!

This is what happens when to your lies you stick

Messages re-read and the facts hit like a killer plough!
A cloud lifts, feeling rather sober now.

Nobody is "fuckin perfect",..
nobody is all good.

Sometimes I may go psycho

coz I 'm completely misunderstood.

Remember: What we have no one can contain
Yet no matter what happens, "we can learn to love again"
